

Refund Policy

Returns and Refunds may vary according to the following circumstances. Please read below for the applicable policies:

Returns/Refunds of TeleABA Pathways Products, Services, & Memberships

All products, services, and community memberships provided directly by TeleABA Pathways are non-refundable. Purchasing any of these online services means that you agree and adhere to the non-refundable and non-returnable policy. Revisions for work beyond submission may be offered for specific products upon the agreement prior to the purchase of the digital product. Please refer to your agreement to determine if you are eligible for any revisions on your service or product as stated within your product or service agreement.

Services and products will be made available to you online either immediately or within 48 hours via email upon completion of your purchase. After completing your purchase, you will not be eligible for a refund. Membership Plans grant you access to exclusive benefits not provided to non-members that are unable to be returned to TeleABA Pathways once you receive them. This is why all services, products, and memberships are non-refundable. You may cancel your membership or subscription services at any time to prevent future recurring payments.

All purchases and agreements are final once you have submitted payment for your services, products, and/or memberships using your payment method.

Right To Change/Modify Terms

I reserve the right to modify these terms from time to time at my sole discretion. Therefore, you should review these pages periodically. When I change the Terms in a material manner, I will notify you that material changes have been made to the Terms. Your continued use of the Website, services, or membership after any such change constitutes your acceptance of the new Terms. If you do not agree to any of these terms or any future version of the Terms, do not use or access (or continue to access) the website, service, or membership.
